To enroll in the next Empowered Actor Workshop, print out this form, fill out the requested information in the spaces below and send this completed form with your check or money order for \$275 made out to Complete Casting to: Complete Casting, Inc., 1415 Western Avenue, Suite 503, Seattle, WA 98101

Class size: Class is limited to the first ten enrollments to maximize individual instruction and focus.

Disclaimer: This class is for actors who are serious about breaking through barriers and improving their acting skills and audition technique. If you are considering this workshop to better acquaint me with your work, I would instead encourage you to contact me for a general interview which I do free of charge as my schedule permits.

INSTRUCTIONS/MATERIALS

(Check the Workshop page on our website for the next available dates at www.CompleteCasting.com)

Time: Saturday & Sunday, 9:30-5:30*

*The class ending time is approximate and based on the completed objectives of the afternoon exercise.

Location: Complete Casting

Tuition: \$275. Cancelled enrollments are refundable up to 7 days before the class

Objectives: Please be thinking of areas of specific focus on which you would like to work so that we can tailor your work toward those areas. The class also requires a high degree of involvement and support of your fellow students.

Materials: (bottled water will be supplied)

- Notebook for taking notes
- Packed lunch/snacks or you can choose to eat at one of the restaurants within walking distance
- Blank mini-DV tape or laptop on which to film your work in the class for home study (If you do not have the means to watch digital video of your work, please inform us.)
- Dramatic or comedic monologue of approximately a minute or so in length

*Note: This monologue is for workshoping in the class and should **NOT** be worked on prior to that time.*

The point of this exercise is to construct characters from scratch, not to showcase for your fellow classmates.

Members of the class will be weighing-in on each other's monologues and discussing the different possible characterizations available.

If you have any additional questions about the workshop, feel free to call Stephen at (206) 903-6500. Current contact information is required so that we may reach you in case of a schedule change or with specific class information.
